OUTER BURIAL CONTAINER PRICE LIST

The following prices are effective October 24, 2018 and are subject to change without prior notice. In most areas of the country, state, or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not collapse causing the ground and monuments to sink or shift. Either a grave box or a burial vault will satisfy these requirements.
